ARRIVAL

We arrived at the huge red brick school at 7:45 AM, dressed in the outfits we had tried on four or five times the night before. Clutching our notebooks and pencils to our chests, we made a brave attempt at looking like we knew what we were doing. Our eyes searched the clusters of people, looking for someone that would help ease the overpowering feeling of being a freshman.

We came, after graduating from junior high, feeling more mature now that we had finally become full-fledged teenagers. We had heard all the stories of the freedom that was part of high school, and therefore the butterflies in our stomaches were also accompanied by a feeling of eager anticipation. Inside we felt older, bigger, capable of anything . . .

The front hallway loomed before us with corridors seeming to diverge in every direction. A feeling of panic seized us as we scanned the room numbers, searching for the one written on our postcard. "Where is room 24?"

There were ramps to find, and stairs to climb. We had to learn to deal with the fact that you go down to the fourth floor instead of up. We were faced with crowded staircases and stern-faced teachers asking us, "Where are you going?"

Sinking into our homeroom chairs, we breathed a sigh of relief. We were excited at the thought of attending our own football games and weekend dances with a live band. We considered joining this club or that club and trying out for this sport or that sport. So many opportunities were open to us.

Still the excitement was tinged with a touch of fear. Would the classes be hard? Would we continue to get lost? Would the upperclassmen we had seen in the halls as tour guides trample on us? No, probably not, and so we knew we would belong.

We came, we saw, we learned, and eventually, we conquered.

On the twenty-third of November a good sized crowd gathered at Stamford High's gym for the traditional Homecoming Dance. Formally dressed for the occasion the celebrants danced up a storm to the sounds of the ever-popular Phoenix. After a good deal of partying the couples got down to serious business: picking our school beauties!!! The winners were Elaine Averbach senior, Mary O'Leary junior, Laura Rogers sophomore, and Missy Palkimas freshman. The King of the Homecoming was Brian LaBlanc, also a member of the band. After the voting the King and Senior Queen danced and then everybody continued to enjoy themselves.

The Stamford High School football program experienced another successful year by compiling a 22-9-1 overall record. A tremendous 130 boys played football which included a Varsity team, J.V. A team, J.V. B team, and a J.V. C team. There were 9 coaches on the staff. This is the second winning season in a row for the Black Knights and the future looks bright.

. . . The Varsity team was a preseason favorite to win the title, but had a disappointing season posting victories over; Rippowam, Norwalk, McMahon, Stamford Catholic and Danbury while losing to Staples, Ridgefield, Greenwich, and Westhill. The League record was 5-2 and we had sole possession of second place in the FCIAC West. Seven players made All County first team; Stacy Lloyd, Dwight Bingham, Nick Pia, Ken Wright, Ainsley Levy, Kane Winn, Doug Brown. Bill Velez and Mike McDonald had honorable mentions.

This year's JV Football season was highlighted by a number of outstanding performances. Offensively, the team tallied 133 points in their eight games behind quarterback Jay Fragomeli, tight end Greg Dempsey and running back Herman Prawl. On defense, the team yielded only 44 points, led by the charges of Tony Mammone and Benji Coleman.

Overall, I feel we played well together as a team as our 6-1-1 record shows.

Coach Pete Samperi

This year's Freshman football team became the first undefeated one for Stamford with a 6-0 mark.

Coaches Chiapetta, Kelly and Augustyn are optimistic about the team's future due to this outstanding season. The season was highlighted with the defeat of Rippowam for the city championship, 14-6 and topped with a final victory against Warren Harding 20-6. Coach Lyons hopes the team grows physically and mentally and continues their winning ways. Good luck and congratulations freshmen.

Although this year's team won only five games and did not qualify for the state tournament, I feel we had a good year filled with teamwork and sportsmanship. This year we had three graduating senior captains: Jacky Hagenbach, strong in stickwork and defense; Tracey Romanos' never failing spirit and aggressiveness, and Janice Collins, strong in dedication and determination. They will all be missed. I see next year, with seven returning seniors along with two sophomores and two juniors, hopefully providing us with a winning season.

This year Jacky Hagenbach was an ALL-STATE, ALL-COUNTY, ALL-CITY selection. Honorable mention ALL-CITY went to Tracey Romanos, Janice Collins, Mary Ann Benke, Alison Rosi and Tina Volpe.

This year's SHS Varsity Soccer Team started in mid-August, training for its difficult, yet exciting season. The team was comprised of thirteen seniors, including All-County pick Clinton Prawl, three juniors, and sophomore Dave Grande. Included on the All-City Team representing S.H.S. were Clinton Prawl, Mario Maldonado, Alvaro Guzman, Kenny Vance, Jim Demetros, and Jay Putterman. Honorable Mention went to Doug Robinson and John Evensen. For the third year in a row, the team has captured the City Championship this year, with a 5-2 win over Catholic, a 2-0 win over Rip, and a tough 3-1 win over Westhill. Overall the team did well and in the end had gained valuable experience in athletics, teamwork, and sportsmanship.

The swim team tried hard this year to improve their record, and for most of the team, their work paid off. Everyone on the team did very well, improving their own times and personal records.

Debbie Kramer, a senior, qualified for the "LL" championship trials for the state. Her qualifying times were 27.5 seconds in the 50 yard freestyle, and 1:01 for the 100 yard freestyle. She finished 16th in the state.

Sara Jalet, a freshman, on the team, swam her way to the CIAC open meet swimming breaststroke. She finished 7th in the state, with a time of 1:11:0, her best time ever.

In diving, Darlyn Saumell and Carol Neilson both qualified for the CIAC "LL" Divisionals for diving.

The Boys Gymnastics team had the most successful season in SHS history. The team had a 10-2 record in FCIAC competition, finished second in the county championships, then capped off the season with an impressive win in the State Tournament.

It's not easy to have a winning season when you get your coach about five days before your first meet. Still, the girls gymnastics team had a lot of fun and showed much progress over their two month season.

The girls were happy to welcome their new coaches, Claudia Catalano and Randy Coppola. Captains Lisa Raffel and Linda Korfman tried hard to keep the spirits up while Kerry Keane, Stephanie Monteiro and Laurie Calyanis competed all-around. Other performers included LuLu Callahan, Leslie Siegal, Sue Weidig, Monique Jamieson, Michelle Jamieson, Dawn Furnaros, Gloria Prindle, and Missy Palkimas. Throughout the state the word hockey is synonymous with Stamford High School. So it was in 1980, with an unexpected show of strength, that this year's Black Knights hockey team upheld its reputation in conquering powerful Darien in a dramatic 4-3 overtime victory to capture the county championship for the first time. Junior Joe Mallozzi centered for seniors Tom Fay and Billy Cox, and throughout the year they were the heart of the team's offense. The second line, consisting of seniors Jay Putterman, Terry Sheridan, and Doug Robinson, was a major part of the total team effort which led to a successful 16-4-1 record. The backbone of the team was the defensive corps led by Matt Diot along with senior Rich Donnelly and Freshman Brian Donnelly. They continually rotated positions because of shortage of players and did a superb job. AFS student Lars Tagesan also did a fine job. In the nets, goalie Ted Milone played well all season, but was unbeatable in county play. Next year we look to Mallozzi and Diot along with Greg Weir, Mark McDougal, Steve Behunick, Dennis Barron and Goalie Bruce Scutti to again lead the team to a successful season. The team would like to thank Mr. Gurney for all he has done for them . . .

The Girls Indoor Track team was a small, but very powerful team. The season consisted of five developmental meets, a county meet, and a state invitational.

There is no won-loss record in indoor track because each week the girls compete against all the teams in the county.

During the course of the season Stamford High's team set new county records in three events; long jump — Tracy Winn, short relay — Betty Guy, Janice Leinhardt, Denise Leinhardt, Tracy Winn and 300 yard dash — Tracy Winn.

The team finished second in the state accumulating 3 first places, 1 third place, 1 fourth and 1 fifth. (The relay team setting a new state record for indoor.)

We have a relatively young team who has done an excellent job and hasn't even reached its peak. We're looking forward to a great season next year.

"Point, Set, Match . . .

If only tennis competition was that easy, but the FCIAC is a difficult division. Each member of the 1978-79 Stamford High Girls Tennis Team demonstrated what it takes to be a winner. While sportsmanship was always noticeable, more so was the athlete's increased understanding of the game's difficult skills, by her performance. The desire and talent is now present and all that is left is for all of us to continue to strive for our personal goals."

The 1979 SHS Baseball Team's season was highly successful.

Hard work, an unselfish attitude and some good baseball talent combined to roll up a 19-3 record.

This was good enough to win the Western Division and FCIAC Championships and to go to the quarter finals in the State Tournament losing a heartbreaking 3-2 ballgame. A really outstanding team effort.

Individual awards were as follows:

ALL-FCIAC 1st Team: Nick Pia, Bell Velez, Conrad Wint. 2nd Team: Bob McDonald, Joe Messina, Kenny Wright

ALL-DAILY NEWS: Nick Pia, Conrad Wint

ALL-CITY: Bob McDonald, Joe Messina, Nick Pia, Mickey Vitti, Conrad Wint, Kenny Wright

Craig Manchuck warms up before a match

Bob Chien shows form that earned him ALL-COUNTY laurels.

The SHS Golf Team had their best season ever in '79, winning the Mike Ballo Tournament, City Championship, finishing second in the Western Division and fifth in the state. Led by MVP Bob Chien (12-4) and sophomore Craig Manchuck the team compiled a 12-3 record. Chien and Manchuck were named to second team All-FCIAC and Honorable Mention respectively, for the second year in a row. Seniors Jackson Dunlap (9-2) and Mike Mallozzi (11-2-1) and sophomore Anthony Marciano (4-1) also turned in fine performances.

The Girls Softball Team had another successful season in 1979 finishing with a 12-6 record. The team qualified for the state tournament for the fourth year in a row. Senior Katie Weir was selected to the FCIAC ALL-COUNTY first team. Sherrie Potenza and Karie Darling were selected to the FCIAC ALL-COUNTY second team.

The softball team lost five seniors who graduated. They helped me to develop a positive and winning attitude which was demonstrated in our comeback in the Danbury game.

The softball team is a credit to Stamford High. I am excited and pleased to be given the opportunity to work with such a fine group of young ladies.

Last year the Girls Track Team recorded an overall record of 6-9. But the team's record is not an accurate indication of the individual talent the team possessed. Outstanding performances were turned in by senior captain Les Jackson, junior Cindy Sutherland, sophomores Betty Guy and Denise Leinhardt and freshman Tracy Winn, Judy Randall and Sally Redd. These girls proved to be the nucleus of the team, and took honors in the County and State Championship meets. Coach Chris Cutler

DANCE MARATHON

3

On February 16 and 17, Stamford High's D.E.C.A. held an 18 hour SUPERDANCE marathon at the Marriott Hotel, to benefit the fight against Muscular Dystrophy.

Over 110 participants, from as far as Port Chester, N.Y., "hustled for muscle," as they braved the clock and sore feet to help those afflicted with neuro-muscular diseases.

Mr. Howard Levy and his D.E.C.A. students set a goal of $2500, but the ambitious dancers raised over $5094.

A big hand (as well as new feet!) should be given to all!

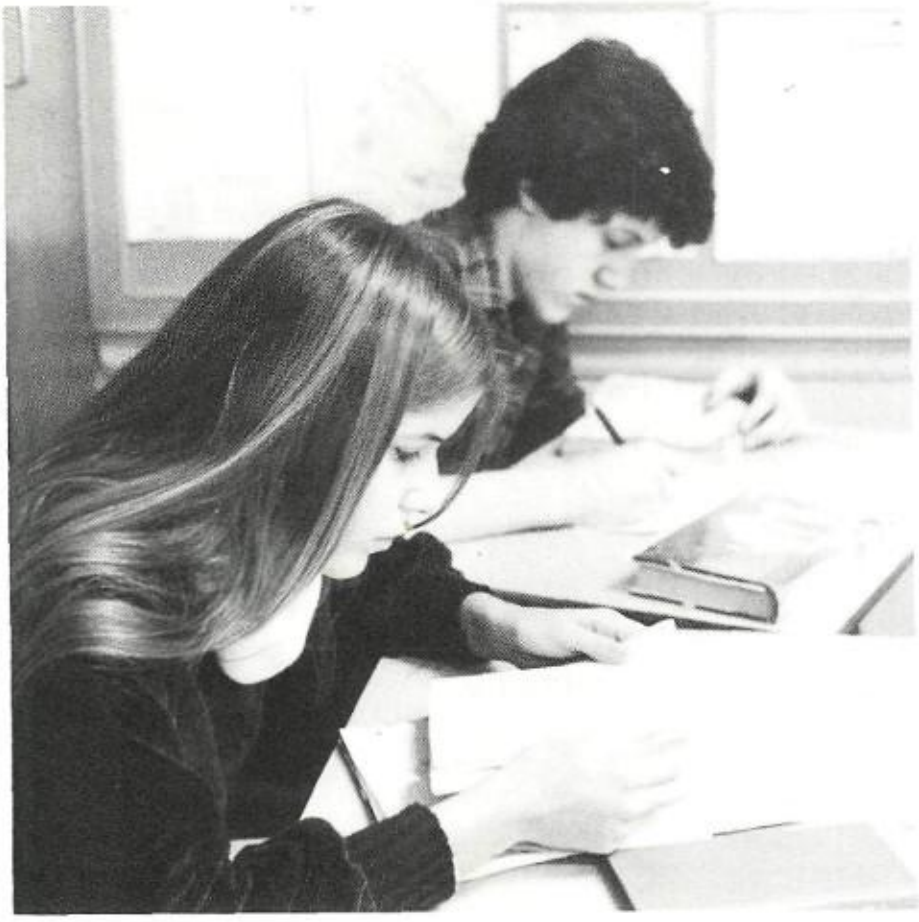
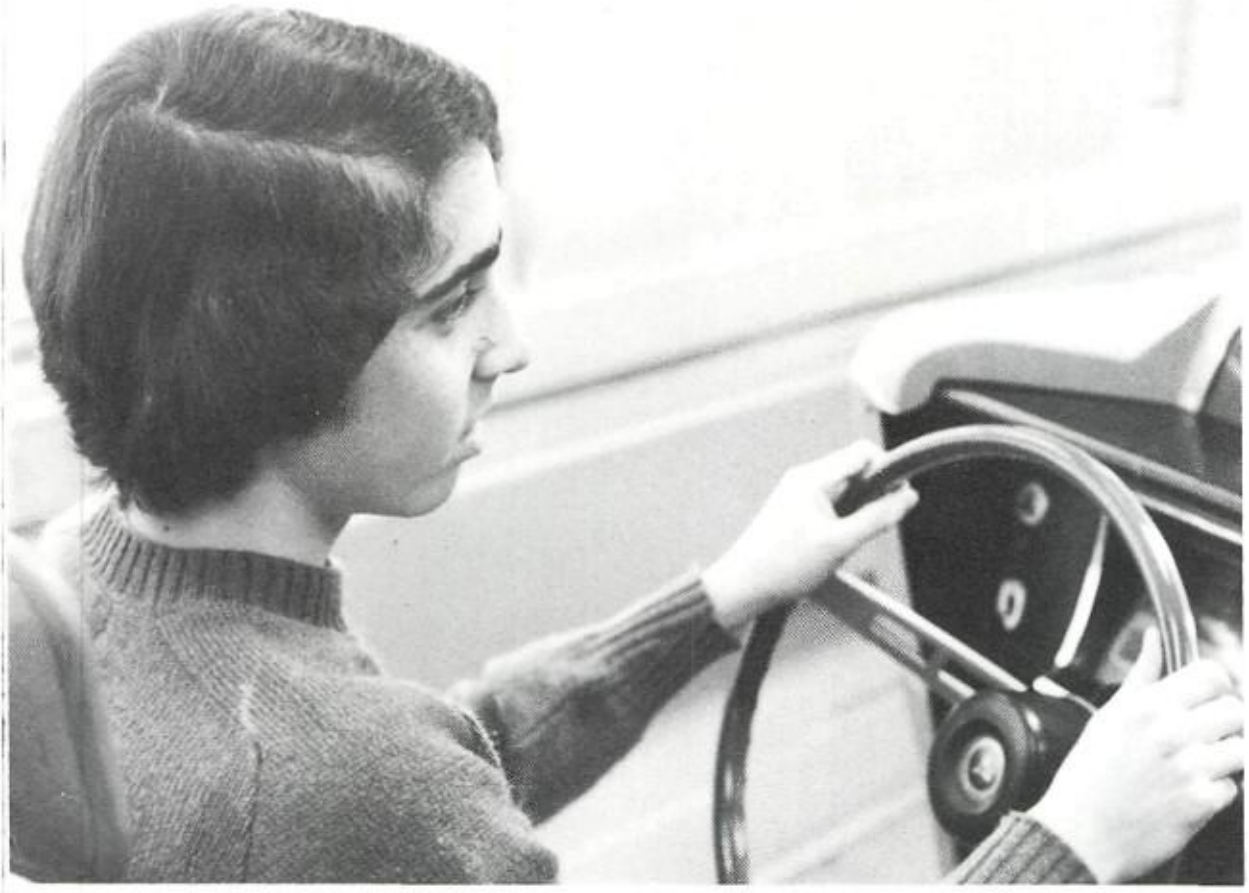
ITINERARIES



"Welcome aboard the yellow school bus, fasten your seat belts — time will just whiz by."

The first area we will encounter is the freshman section, sometimes referred to as the "green" section. There students lay their foundations for what's to follow in their academic careers. They are offered such subjects as Ancient and Medieval History, Today's Society, Algebra I and II, and I.P.S. or Biology. You will notice most of the students at this time have clean necks, perhaps because they are required to take health in this section. You might also note the size of the student — research is proving that the freshman atmosphere may stunt your growth.

Next we will hit the sophomore area. At this point, the headway is pretty slow; we call it the sophomore slump. Here some students are busy with 10th grade English, a second or third year of a foreign language, and some have graduated to Geometry. Notice that at this time students become aware of some of the electives they can now work into their schedules: drivers education, art, sewing, or typing, to name a few.



Next the going gets tough; it's all uphill from now on. The Junior section is filled with atmospheric pressure. This is because for the students who plan to go to college, this is the most important year. There are PSAT's, SAT's, AT's, and AP's to take. Students are offered American Studies, A.P. History, and Chemistry, among other things. Depending on our arrival time, a part of the Junior section may have left with their 7th period releases. Some have graduated from the supported sophomore to become Junior breadwinners. Add this to academics and extracurricular activities and you can understand why the going is uphill.

Finally, we reach the Senior summit. From the top of the hill, we'll be able to look back and see how far we've come. Students here will be busy with Senior review math, A.P. English and other subjects. Some seniors are not at school for half a year because they are on an internship program and are learning through working.

From the top of the hill, we might as well enjoy the ride down.

So hang on to your seats . . . here we go!

FRESHMEN

The class of 1983 elected their officers this year. They are Kathy Joyce: President; Bryan Copper: Vice-President; Jennifer Hirschhorn: Secretary; and Sarah Siegel: Treasurer. The class will sell candy and chips at the basketball games and during school, organize a car wash and many other activities to enlarge their treasury for their upper class years. Class Advisors, Kelley and Sylvester hope the class will generate spirit and enthusiasm and become an integral part of the school.

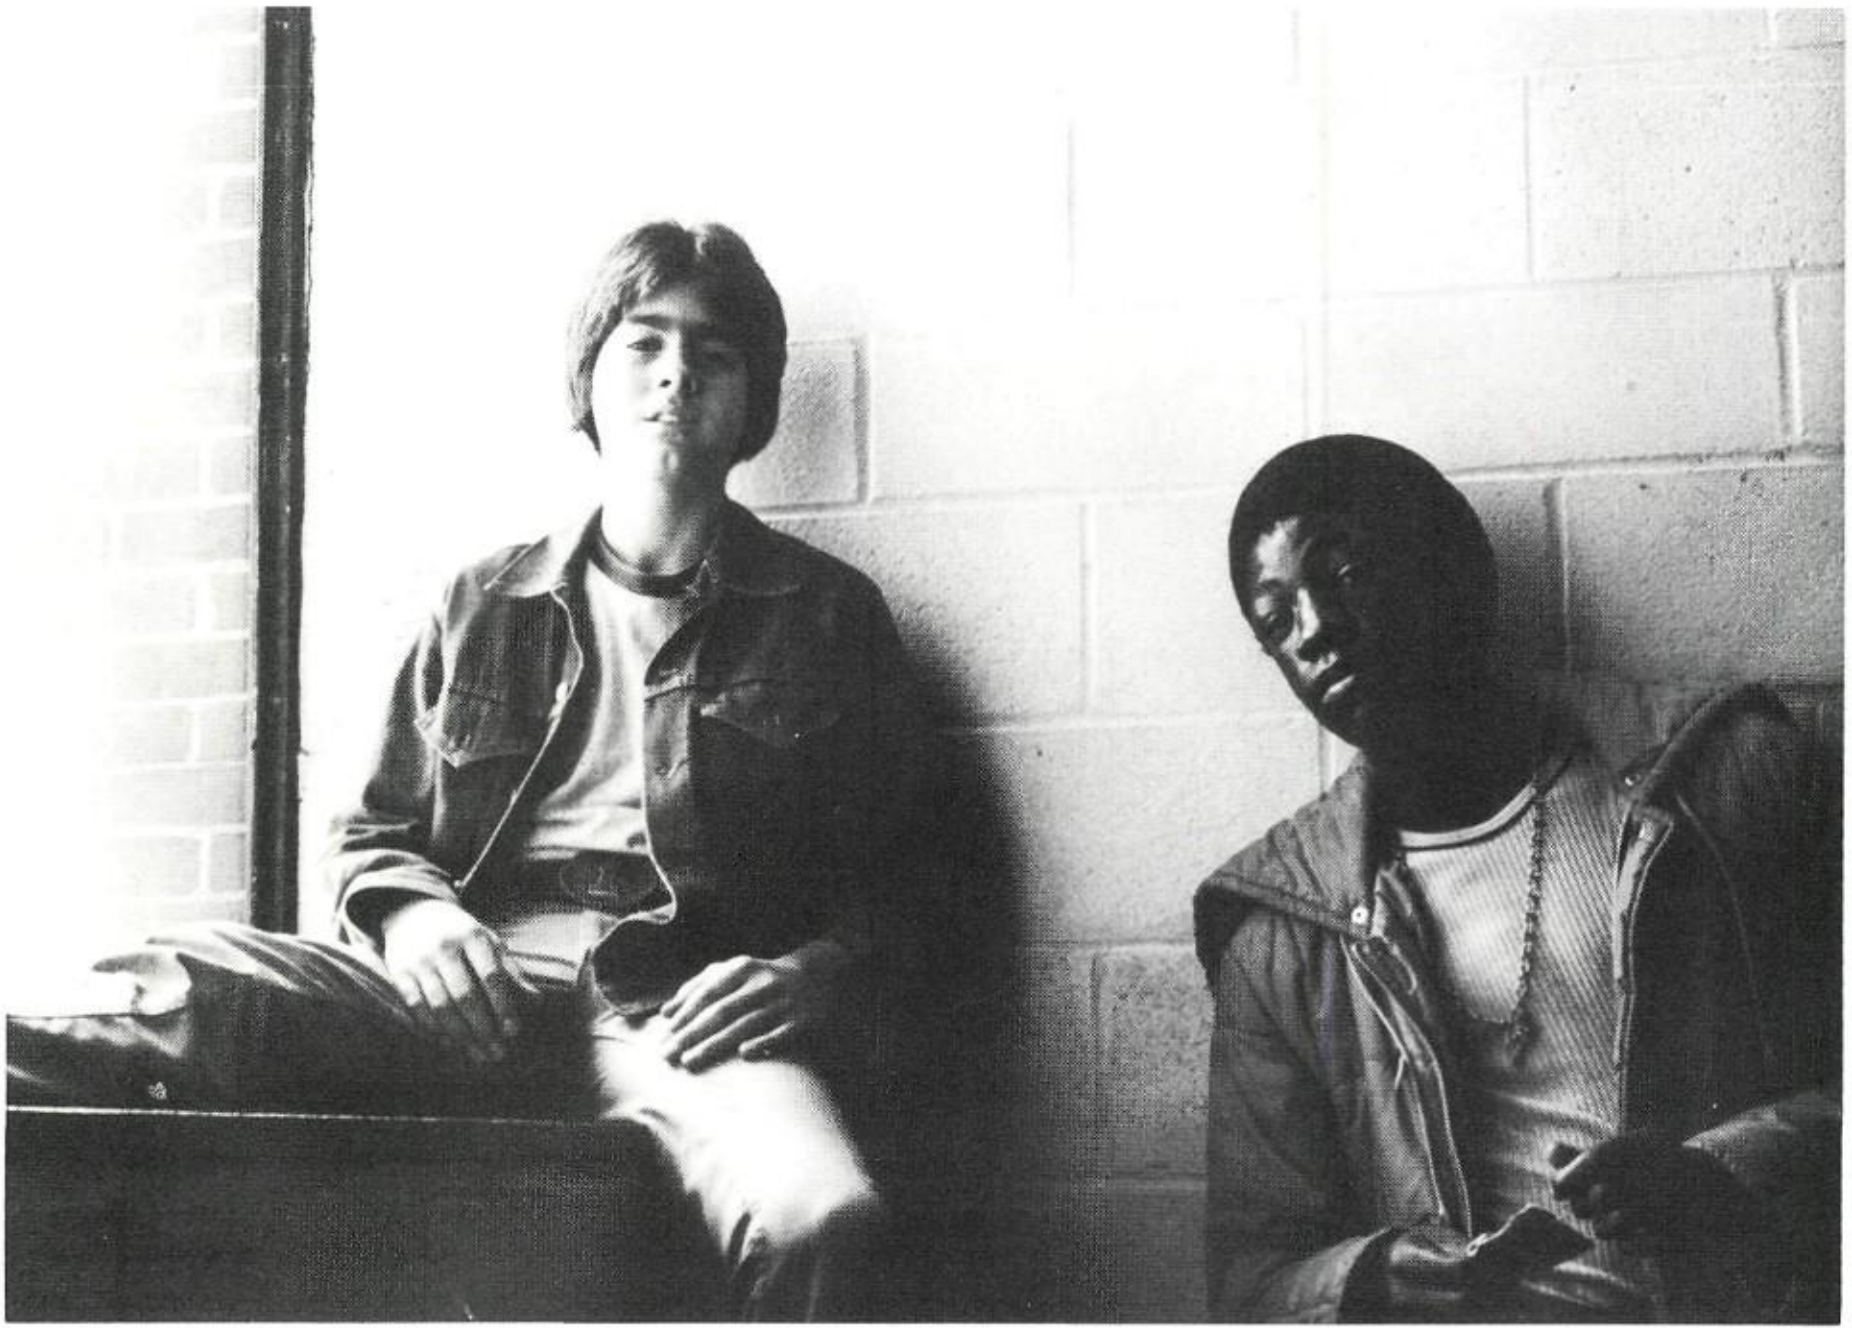
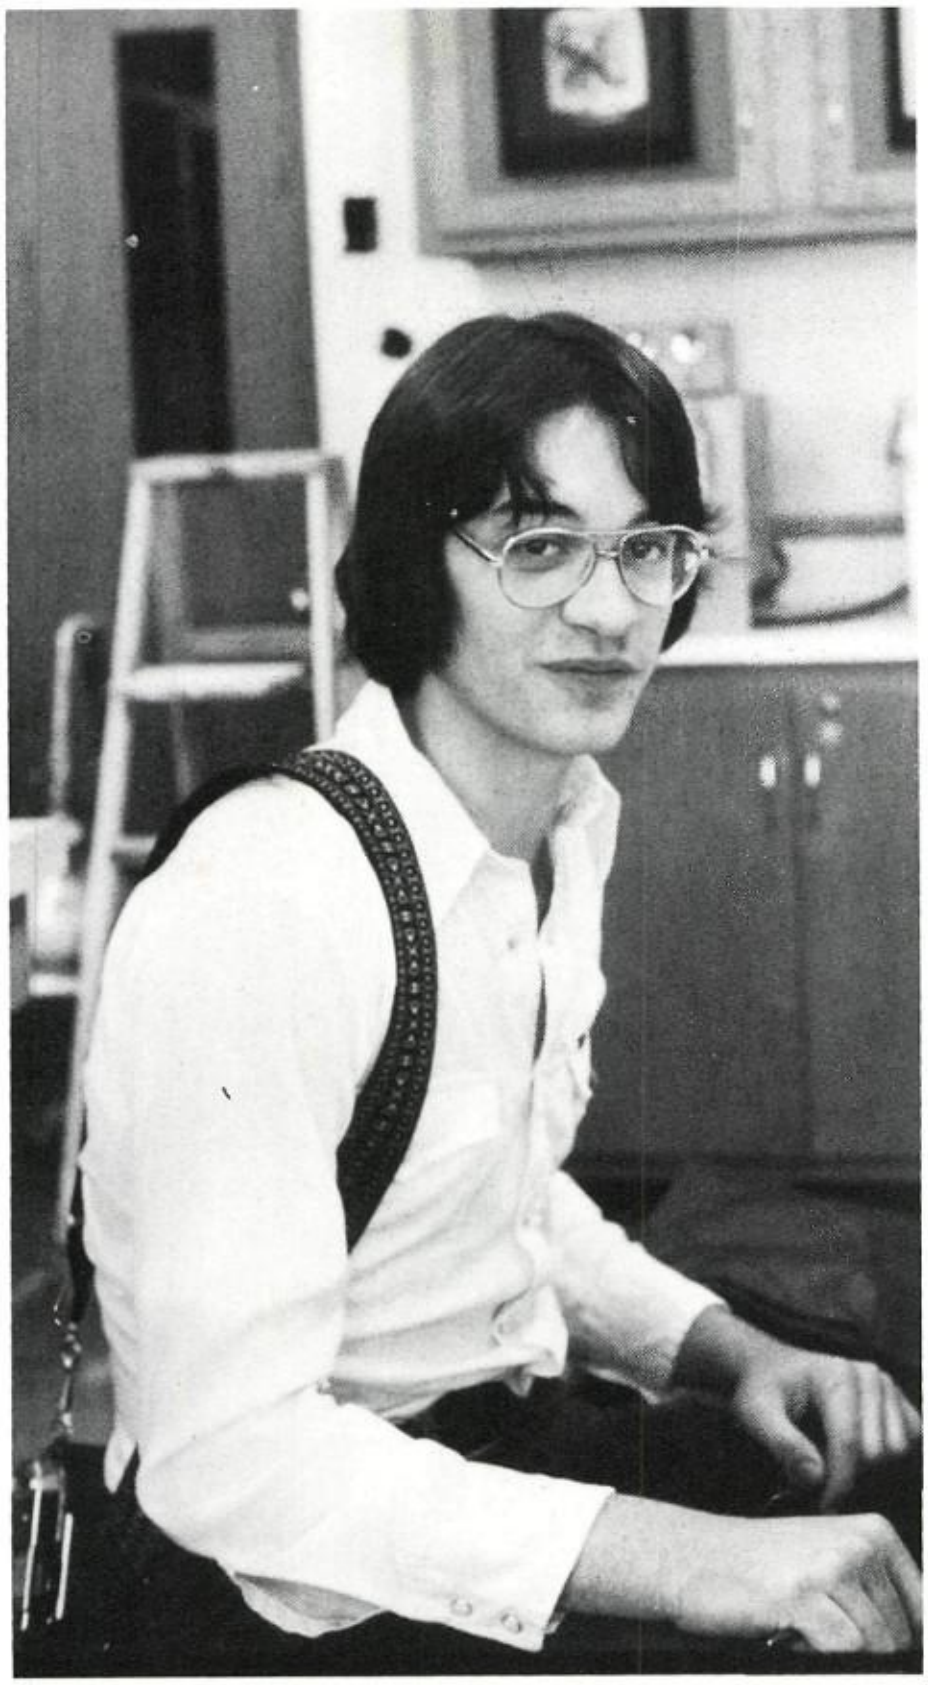
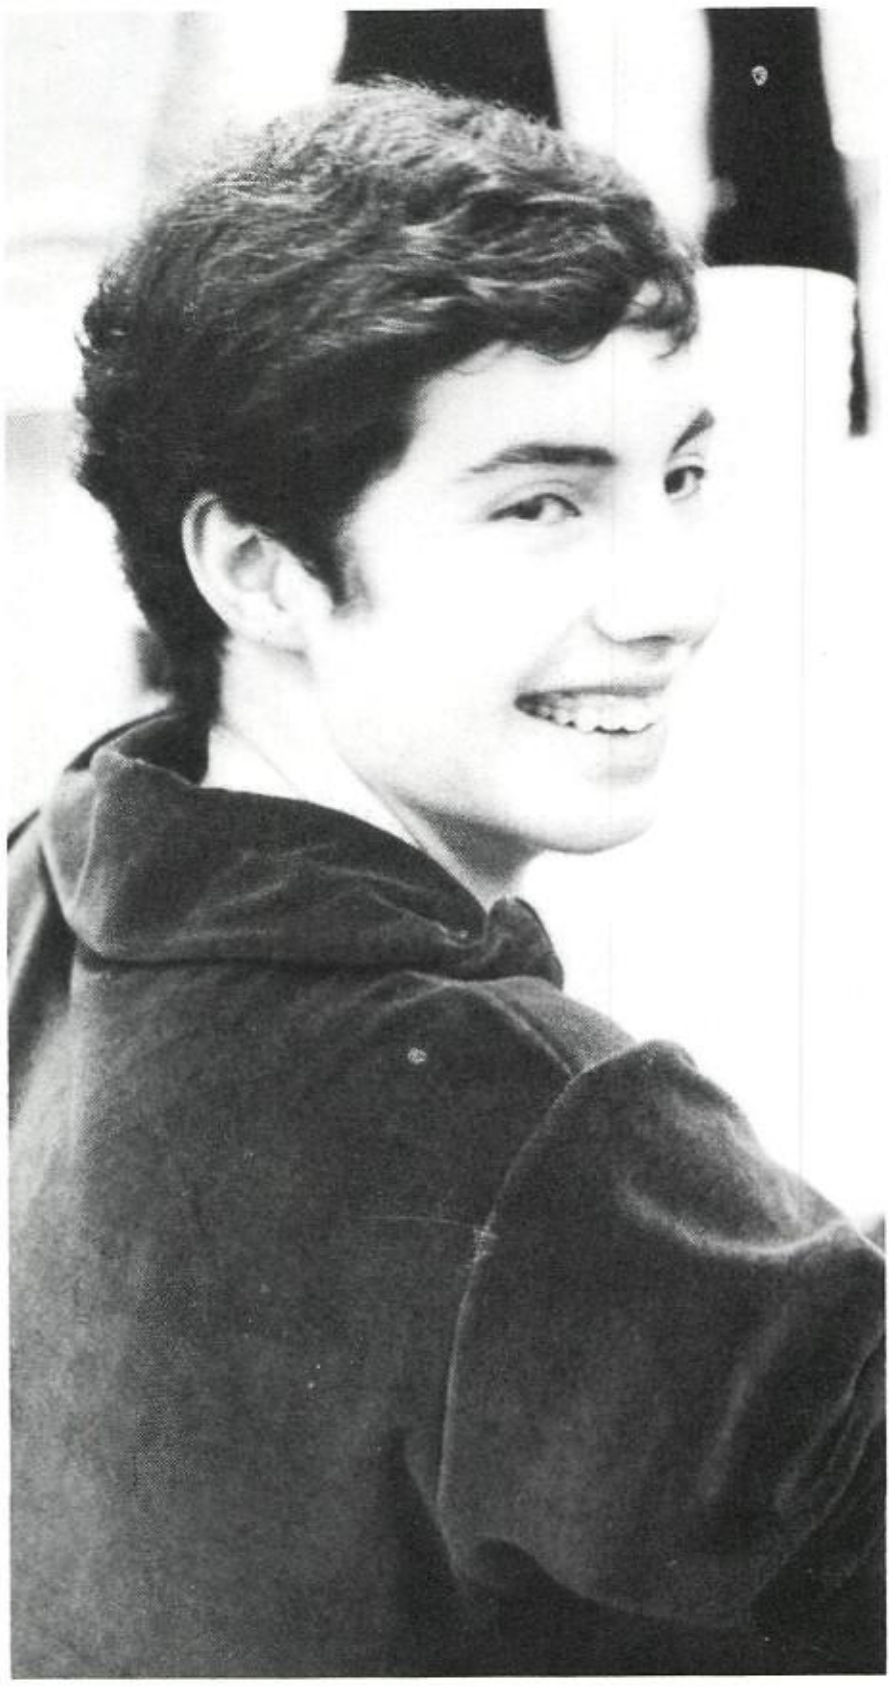
LETS BE
FRIENDS







SOPHOMORE

It's hard to believe we were freshmen just a year ago. We saw the froshies this year and said "Did we look like that?". "Yes, we did." However, as a class, we did a lot better this year. There were the rings, a magazine drive and, of course, the ongoing donut sales. Our treasury increased tremendously, so we shouldn't have any trouble making our junior and senior proms the BEST EVER! The class of '82 is on its way!

GO BLACK KNIGHTS
460-728
CONNECTICUT

JUNIORS

We started the year with a great
group of kids,
Led by Barb Kaminski as pres.
We had Darlyn Saumell along
with Mark Rookwood,
Lorrie Decoster was Vice-pres.

With advisors Pociadlo and
Kenna,
We were set for hard work and
fun.
We sold candy, chips, and
bagels,
"Support the class of '81!"

The Halloween dance was a
failure,
Homecoming brought us back,
We made tentative plans for the
Junior prom,
And sold Toffee Rolls as a snack.
Meetings and meetings,
More meetings, making our class
#1,
Through SHS, we hear the cry,
'81 has more fun!

FIRST CLASS

SENIOR HISTORY

FRESHMAN: Traveling through SHS was an experience everyone will always remember. Our four years of high school education corresponded to the four seasons. Starting at SHS as freshmen was the "Spring" of our high school education, it was a time of rebirth — we were finally considered "High School Students." We arrived in September 1976, at 7:50 a.m. (some of us a little later), with awkwardness and confusion: the restless natives were bigger than we and the region was so immense that even with maps and compasses, it was easy to get lost. As time went on, however, we gradually adapted to our surroundings.

Later we were greeted by our travel guides, Mrs. Mingo and Mr. Barber, who helped us organize ourselves into the class of '80. We elected from our crew people who would organize and help us finance our expedition. Our fearless leaders were Kathy Gregory, Pres.; Jackie Boucher, Vice-Pres.; Carol Meadowcroft, Sec.; Michelle Morelli, Treas.

We started that year raising money for our two gala celebrations: the Junior and Senior Proms which were to be held towards the end of our journey. We also took an optional day trip to Playland. Unfortunately, a few members from our safari were either left behind or eaten by the feared dragon coaster.

As sophomores we experienced the "Summer" of our four year trip. Mr. Barber and Miss Guglielmo — ("G") were our travel guides. During which time our diet was restricted to bagles (seeded, salted, scallion), various munchies, and an assortment of candies. One of the main attractions of our tour at SHS was the quad dance which was also one of our biggest successes.

Throughout the entire visit the weather had been favorable and the air was full of enthusiasm. People who cleared our path along the way were Heidi Ecenrode — Pres., Rivka Wasserman — Vice-Pres., Sandy Wyllie — Sec., Kim Mitchell — Treas.

In the fall as juniors, the atmosphere was entirely different from our earlier climbs. There was no longer a fear of roaming the halls of SHS without a pass. We grew enthusiastic as we neared the Junior Prom. Besides the usual sales, we were able to fund the gala event with money earned from the Homecoming, a fall dance and numerous car washes. People who made the prom a success were, Rivka Wasserman — Pres., Cindy Sutherland — Vice-Pres., Elyse Mall — Co-Vice, Diana Warner — Sec., John Mocker — Treas., David Badash — Co-Treas., and Sue Doyle — Honorary Member. Also, our travel guides were Miss "G", and Mr. Caminiti, who helped us throughout the season. Towards the end of our "fall" adventure, the Class of '80 had really demonstrated its strength in the '79 Field Day, by destroying the senior class, as well as the other underclassmen. By the end of our fall expedition, enthusiasm was at its peak and we were ready to make our final climb.

We reached the highest peak of our trip when we entered the season of "winter." With the end of this season, the class of '80 will terminate their travels through SHS. As seniors, the trip wasn't as easy as anticipated. There were many hours spent planning for college, taking SAT's, filling out applications and visiting colleges. During our climb to the top, there were many changes. In our final season our senior appointees were John Mocker — Pres., Cindy Sutherland — Vice Pres., Sue Doyle — Co-Vice Pres., Patty Battenelli — Sec., and Eric Sandler — Treas. Our new travel guides were Mr. Caminiti and Miss Hueg. Also we started to work with the junior class. With them we managed to have a Homecoming and we also dared to have a Tuesday night Halloween dance. Our plans for the remaining part of the trip are geared toward our final festive event, the Senior Prom. It will be held at the Italian Center on May 23. Finally! on June 15th, we will complete our travels through SHS. Dressed in maroon and white, the Class of '80 will graduate! We will begin an even longer journey . . .

Class of '80 gives a special thanks to the Class of '81 and all those who have helped us in the last four years.

DEPARTURE

DEPARTURE

We stood at the back of the football field where we had spent so many Saturdays as spectators. Now, it seemed, we had all become one team in our uniforms of caps and gowns, with the people who have supported us through the past four years here today to cheer us on from the stands. We were not there to make touchdowns, but to cross a line just the same: from S.H.S. into the world. As the first strains of music came to us, we began to march, lost in our own thoughts.

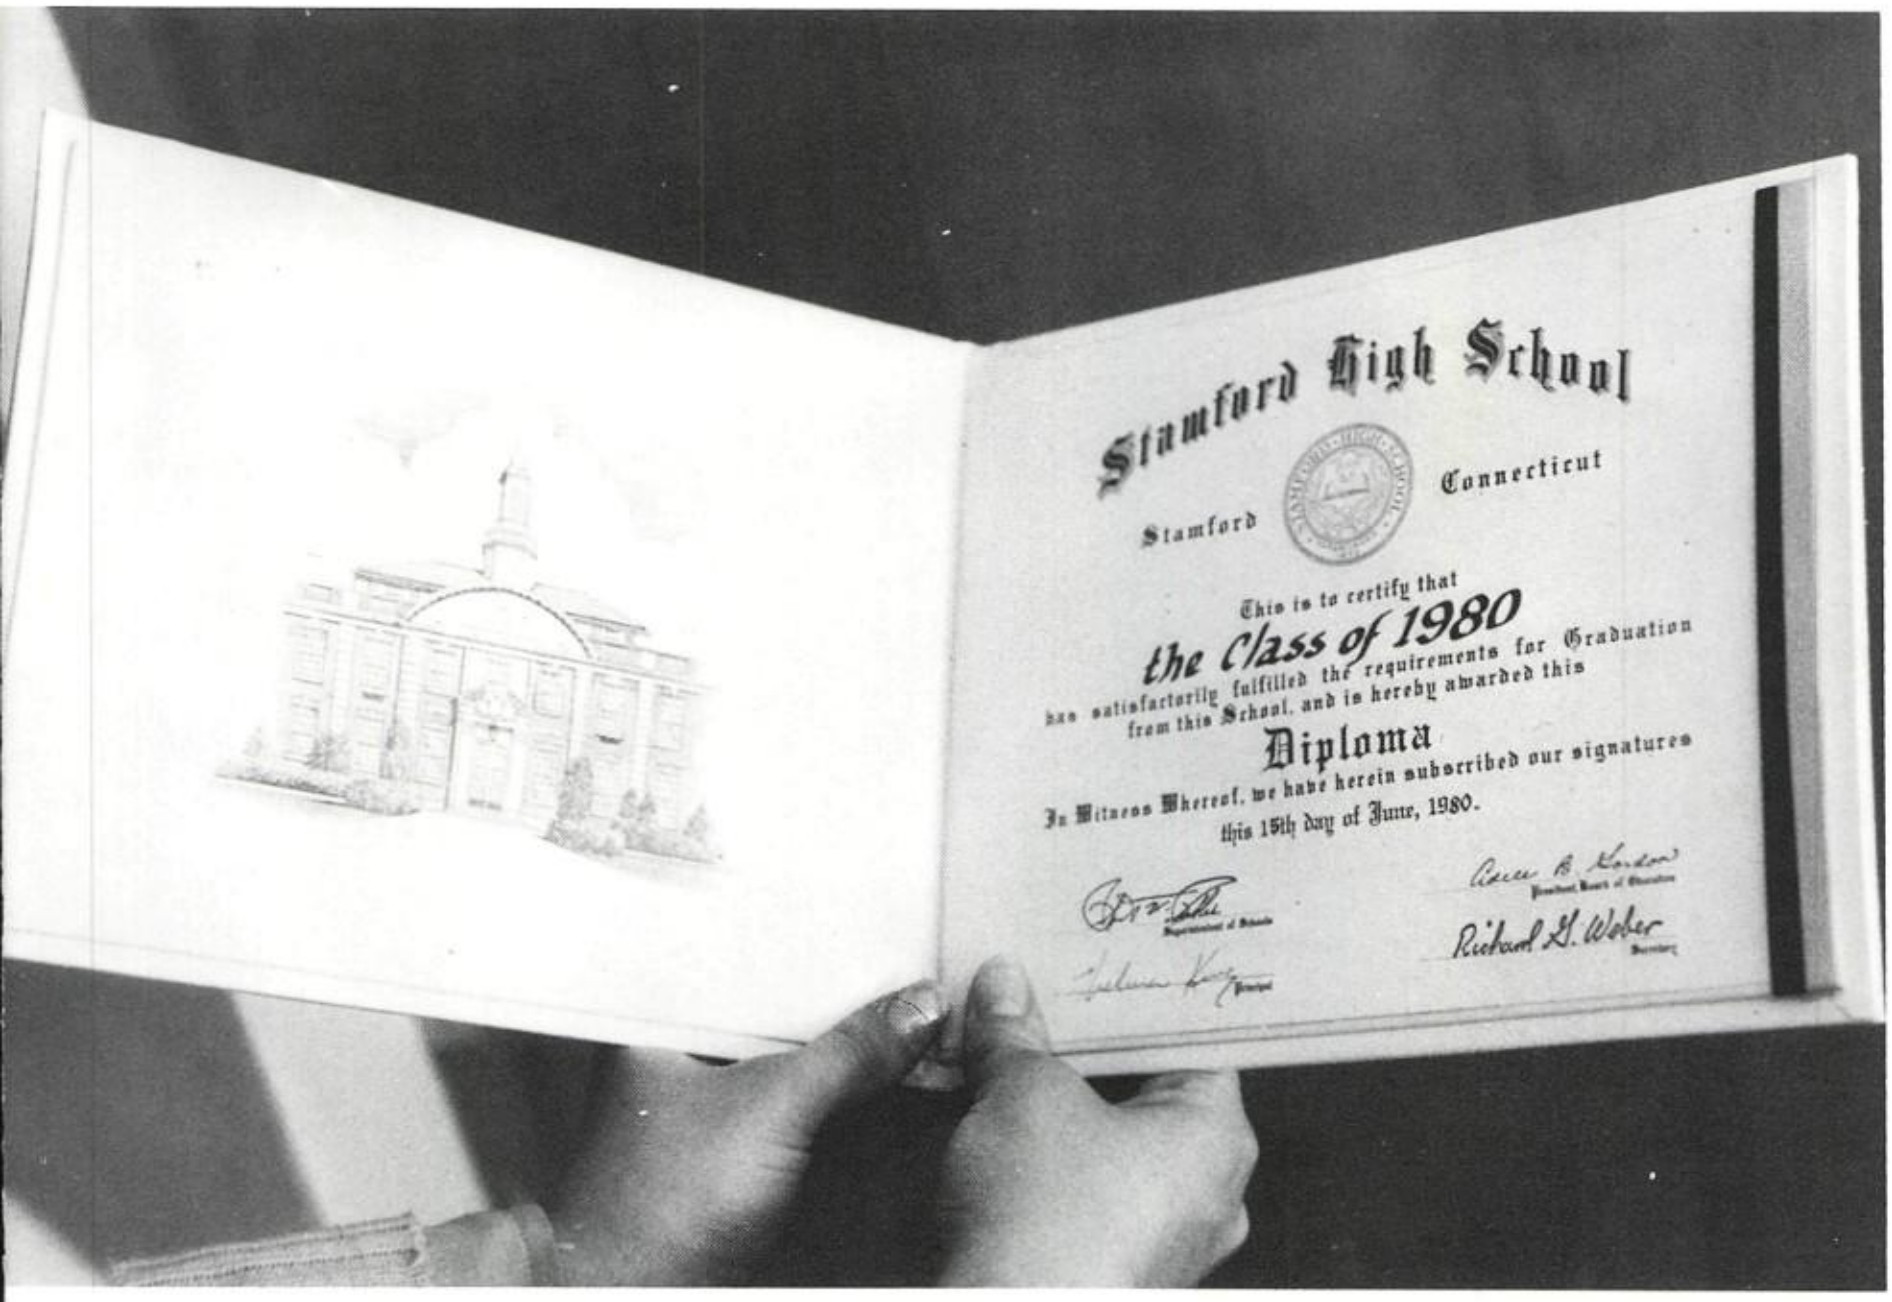
"Can someone help me find this room?" . . . "Everyone and everything is so BIG" . . . Sex education in health . . . "I need a map!" . . . first high school dance — wow, a live band! . . . Clubs to join . . . "What do you mean you're not going to class?" . . . "I just know these seniors are going to kill us" . . . three more years to go . . .

"I'm in the sophomore slump" . . . "All the bathrooms are locked!" . . . parties . . . football games . . . "I'm in love with that senior" . . . two more years to go . . .

"Trust me, I'm a junior, buy this elevator pass; I'm selling it cheap to all new freshmen!" . . . "Help! I got a 350 on my math PSAT" . . . first day of bringing the car to the student parking lot . . . 7th period releases . . . Junior Prom . . . Next year will be . . .

SENIORS . . . Class of 1980 . . . "Where'd all the time go?" . . . "You're applying to Stores?" . . . "SAT's again?" . . . KEGGER!!! . . . "How many decades until graduation?" . . . "Let me out!" . . . Hanging around the bleachers . . . Human Behavior . . . "What do you mean no senior prom unless you get cooperation?" . . . Senior Skip Day . . . every day . . . Internships . . . "Will you write a recommendation for me?" . . . Everybody looks so little" . . . Seniors #1 . . . "We'll be getting out soon" . . . "I can get away with it, I'm a senior" . . . "Hey, I'm 18, I can write my own excuse note" . . . Using the computer in guidance . . . Today S.H.S., tomorrow the world . . .

Our thoughts are interrupted by the beginning of the name-readings for diplomas. The 'team' is called up one by one. The end of the game is on hand, and though we are a little bit sorry to leave our teammates, the future can only be brighter . . . because we know the score, and it's in our favor.



Stamford High School
Stamford
Connecticut
This is to certify that
the Class of 1980
has satisfactorily fulfilled the requirements for Graduation
from this School, and is hereby awarded this
Diploma
In Witness Whereof, we have herein subscribed our signatures
this 15th day of June, 1980.
Richard G. Weber

It's time to leave . . .

Our beginning is

coming to a close

and so we look

toward tomorrow . . .

But let's look at

yesterday and today.

We arrived here alone

and began our adventure

together slowly,

carefully,

not sure of what

was expected or sure

of what we wanted.

But during our time
We gave up our
loneliness and insecurities.
We gained new friends,
confidence in ourselves
and a special feeling
which cannot be defined
by words . . .
We leave so much stronger
for we have shared deeply.
I look at all of you and
smile . . .

For you are my friends.
